

SERVICE FOR SPECIAL PROJECTS

*„Ombrages“ presentation plate and milk jug by Raynaud,
„Cubus“ salt and pepper shakers by Ercuis,
„Twig“ coffee spoon by Michael Aram*

Artedona offers you a special service for the interior setup of:

- houses and residences
- yachts und private jets
- upscale hotels and restaurants

Thanks to our broad product range, the know-how of our experienced team and our contacts, we can give you an excellent market overview, produce new ideas and suggest alternative solutions. Thus, we can effectively contribute to the efficient and successful completion of your project.

We provide:

- assistance with the selection of products for your very unique project
- customized illustrated product presentations, which cater to your special requirements
- a sampling service for selected products
- on schedule delivery of your orders to any destination in the world

Within the scope of your project, we can also source special products from many more manufacturers beyond our regular product range.
