

Care instructions for Mario Luca Giusti acrylic glassware

The acrylic products by Mario Luca Giusti are absolutely tasteless, odorless and BPA free. Please follow these care instructions and you will enjoy your acrylic glassware for a long time.

- Hand wash is highly recommended (temperature resistant from -10°C to 50°C)
- Use a gentle dishwashing liquid and a soft cloth
- Do not use benzene, alcohol, ester or organic solvents for cleaning
- Not suitable for microwave
- Alcohol resistant (< 2 hours), not suitable for strong alcohol like whisky etc.

The following may discolour the products or make them cloudy in the long run:

- Keeping the glasses for a prolonged period of time at high temperatures and high humidity
- Incorrect dosage of detergent
- Use of detergent containing aluminum or metal protection
- Dairy products, coffee, cocoa, tea, and other beverages may leave a rim on the glass if you leave it overnight. Wash the glass in warm soapy water shortly after use.
- Use of anise-based drinks (such as Pernod, Ricard, Raki or Ouzo)
