Kombinationsübersicht

Combination overview

Alle Artikel sind vielseitig und lassen sich flexibel zusammenstellen. Das präzise Maßsystem liegt dem Porzellan-Tafelservice und dem Buffetsystem zugrunde. In den Übersichten zeigt die linke vertikale Spalte die verschiedenen Produkte. Die Kombinationsmöglichkeiten mit anderen Produkten folgen rechts in horizontaler Ausrichtung.

All items are versatile and can be mixed and matched in many creative ways. The highly precise dimension system forms the basis of both the porcelain dinner service and the buffet range. In the tables, the left-hand column shows the various products. The combination options are laid out horizontally on the right.
