Wunderkammer

An eventful travel around the world

Traditionsreiches Kobaltblau in modernem Gewand – jeder Artikel ist individuell gestaltet und lässt die aufwendige Handwerkskunst erahnen, die sich hinter der Dekorserie verbirgt. Die Kollektion hat Sammelwert und wirkt bewusst so, als hätte man sie über Jahre zusammengestellt. Mehrere Epochen Manufakturwissen und Impressionen sind in den Dekor eingeflossen. In reicher Metaphorik spiegeln die Motive Eindrücke verschiedener Kontinente und Zeitalter wider.

Traditional cobalt blue in a modern robe – each item is designed individually, divining the elaborate craftsmanship behind the decor series. The range has collector's value and purposely wants to appear like having it arranged for many years. Various eras of manufacture knowledge and impressions have influenced the decor. In rich metaphoric the motifs reflect influences of different continents and ages.
