## Velvet room fragrances by Linari

Indulgence and sophistication: Onice elegantly combines the aromatic freshness of bergamot with the warm spicy notes of lavender, sage and Ceylon cardamom. Floral accords, soft rosewood and a note of warm musk and powdery tonka emphasise the mystical sensuality.

Black velvet covered bottle, lids and labels: brushed aluminium, black evaporating sticks.

Radiation and seduction: In Senso citrus notes of grapefruit, lemon and bergamot are gently surrounded by aldehyde and oceanic notes. Ylang-ylang, jasmine and cyclamen and a delicate rosewood aroma give a radiant and fresh brilliancy. The base note is characterised by white musk and notes of cedar and sandalwood.

Anthracite velvet covered bottle, lids and labels: brushed aluminium, black evaporating sticks

Relaxation and naturalness: Menta combines the freshness of mint with notes of cassis, bergamot and white peach, surrounded by the fine accent of star anise. Syrian jasmine, lily of the valley, ylang-ylang and freesia form the heart note, which is surrounded by rosewood. White musk, sandalwood and vetiver create the base note.

Melange grey velvet covered bottle, lids and labels: brushed aluminium, black evaporating sticks

Intimacy and inspiration: In Puro supreme Madagascan vanilla joins tangerine, bergamot and lavender. The heart note surprises with rose and lily of the valley, together with anise and a delicious aroma of fig. Woody notes of sandal and cedar merge with white musk and amber, completed by patchouli and cinnamon.

Glacier grey velvet covered bottle, lids and labels: brushed aluminium, black evaporating sticks
